German Conversation DeMystified is a perfect companion to Ed Swick's grammar book: German Demystified. I would recommend you purchase the grammar book first, study it for half a year, and then buy this book, because grammar is only reviewed here - it is not explained in great detail. The first book takes care of that.

## **Amazon.com: Customer reviews: German Conversation ...**

Each chapter begins with a dialogue between two people. Their conversation introduces you to the general topic of the chapter and provides you with language that is natural and normal in contemporary Germany without being overwhelming. Practice saying the dialogues out loud. Study what they mean and how the words are used.
