[Kingdom-Principles Text QXD5](#)

Beginning with Matthew 5:17, the laws and the principles of the kingdom are unfolded and are related to the Mosaic law, to contemporary problems, and to the future judgment of God as well. The ethical teachings of chapter 5 are summed up in the last verse, "Be ye therefore perfect, even as your Father which is in heaven is perfect."

[Management of Risk - Principles and Concepts](#)

An organizing principle is a core assumption from which everything else by proximity can derive a classification or a value. It is like a central reference point that allows all other objects to be located, often used in a conceptual framework. Having an organizing principle might help one simplify and get a handle on a particularly complicated domain or phenomenon.
