The hill tribes of Northeast India are hill people, mostly classified as Scheduled Tribes, who live in the Northeast India region. This region has the largest proportion of scheduled tribes in the country. Northeast India comprises the former British province of Assam and part or all of the former princely states of Manipur, Tripura and Sikkim. There are areas of plains in the modern State of Assam, but otherwise the region is mostly hilly or mountainous. The hills have long been populated with

Ishi was the last known member of the Native American Yahi people from the present-day state of California in the United States. The rest of the Yahi were killed in the California genocide in the 19th century. Ishi, who was widely acclaimed as the "last wild Indian" in America, lived most of his life isolated from modern American culture. In 1911, aged 50, he emerged near the foothills of Lassen Peak in Northern California. Ishi, which means "man" in the Yana language, is an adopted name. The an
